## SKILLS

Angular

Node.js

MongoDB

ReactJS

StencilJS

Ionic

Vue.js

HTML5

CSS

Jenkins (CI/CD)

SpringBoot

GIT

Javascript

## ACHIEVEMENTS

### Published Node Modules

<https://www.npmjs.com/package/stencil-tslint>

<https://www.npmjs.com/package/formly-wrapper>

### Contributed to ionic-team project

[http://bit.ly/lalit\\_contributions](http://bit.ly/lalit_contributions)

### An Arctic Code Vault Contributor

Selected by Tata Trust and Google India for Nanodegree Program

Actively participating and completing open source contributions in Hacktoberfest

## CERTIFICATES

### Server side Development with NodeJS

The Hong Kong University of Science and Technology

### Frontend JavaScript Frameworks: Angular

The Hong Kong University of Science and Technology

### MongoDB using MEAN Stack

MongoDB Inc.
